**Train to become a volunteer with The Adelphi Breast Cancer Program**

The Adelphi NY Statewide Breast Cancer Hotline and Support Program seeks breast cancer survivors of all ages, race, and ethnicity—men as well as women—to become volunteers. Thus, the program seeks a diverse group of volunteers to reflect the people who continue to be diagnosed with Breast Cancer. Our volunteers are invited to speak throughout the community about their experiences, speak one-on-one with people calling the hotline, fundraise to support our work, and provide educational presentations about breast cancer.

**JOIN US**, for our next volunteer training which will be held on three consecutive Tuesdays in September.

**September 11, 18 and 25th**

The training is all (3) days from 10 a.m. - 4 p.m. at Adelphi University in Garden City

This in-depth training includes presentations by nurse navigators and social workers on basic breast cancer education, active listening skills, and tips on engaging the community. If you are interested in joining our family of volunteers, please contact Alida Rubenstein to arrange an interview.
